Overview:

WSAC 2027 stands as one of the largest and most influential global gatherings for professionals in Surgery and Anesthesiology, bringing together General Surgeons, Surgical Specialists, Anesthesiologists, Nurse Anesthetists, Perioperative Nurses, Critical Care Physicians, Pain Management Specialists, Researchers, Healthcare Administrators, and Allied Health Professionals from around the world.

Guided by the theme "Precision, Safety, and Innovation in Surgical Care," WSAC 2027 aims to foster multidisciplinary collaboration, promote cutting-edge surgical and anesthetic practices, enhance patient safety, and improve perioperative outcomes. The congress emphasizes innovation, education, and global knowledge exchange to strengthen healthcare systems and elevate standards of surgical and anesthesia care worldwide.

Call for Papers

Participants are invited to share their research and findings by submitting abstracts for consideration in the scientific sessions. A standardized template for submissions can be found on the "Abstract Submission" page of the conference website. All accepted abstracts will be featured in the extended abstract book, which will be accessible online and distributed at the conference.
